

GRAF-ADOLF-PLATZ 14

ABOUT THE PROJECT

The office building is located in a prominent corner location at the Koenigsallee, Graf-Adolf-Platz and Breite Straße in the heart of the Central Business District (CBD) within the banking district of the state capital Düsseldorf. The property offers seven upper floors and three basements with a current gross floor area of 30,000 m² located on a large plot of 5,000 m². Today the building ensemble is fully occupied by the Deutsche Telekom AG as a single tenant.
